CHOSEN

THE BEST MATERIAL
SUPPLY SOURCES !

CHOSEN Applied Material Co., Ltd

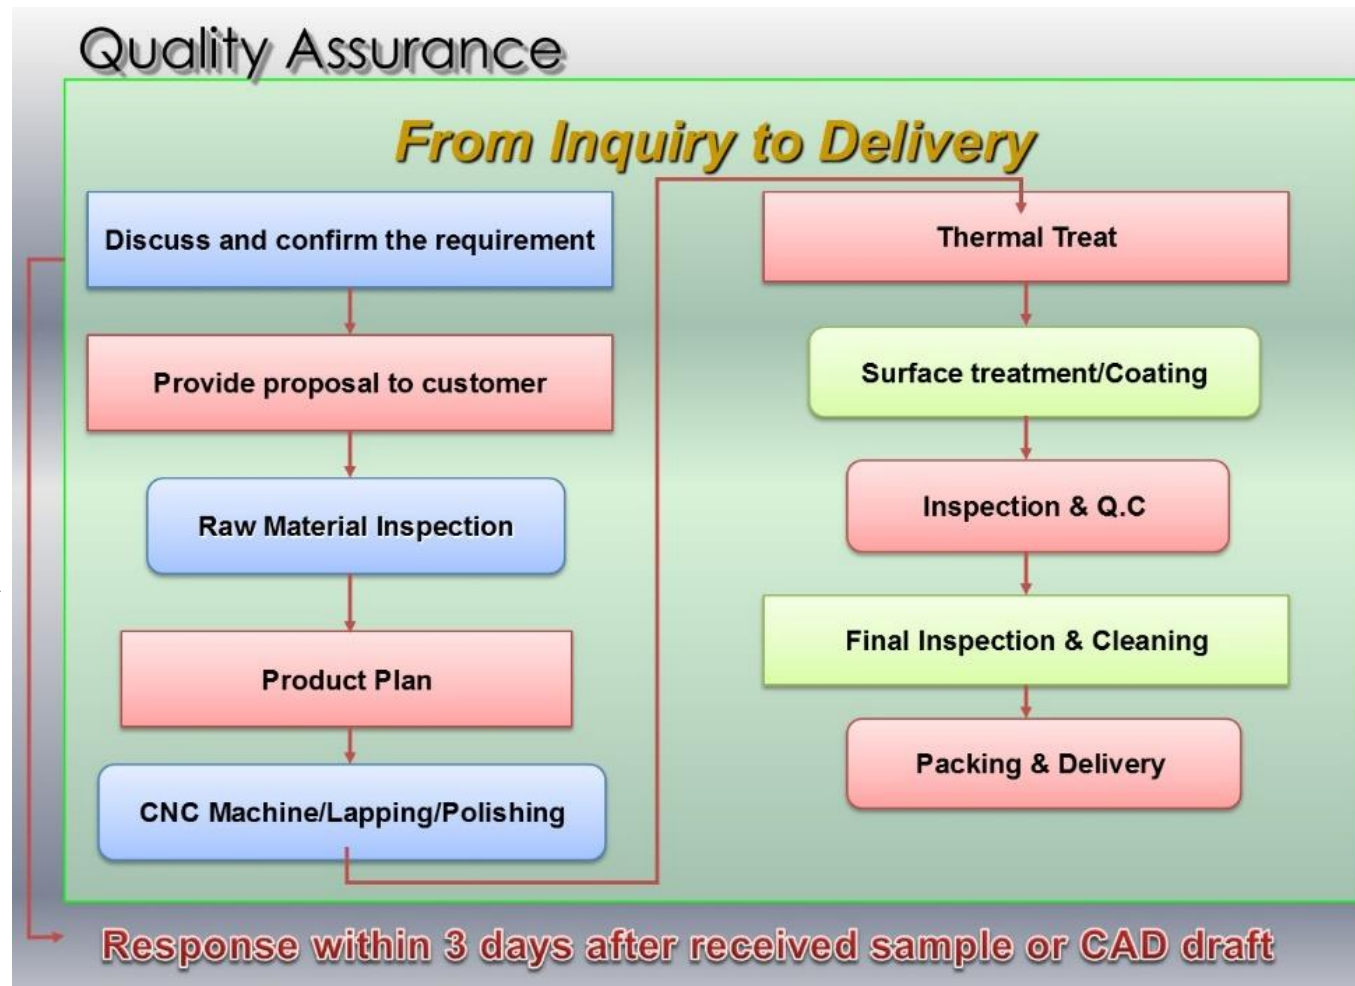

Company Profile

- Founded at 1998
- Business Area
 - Bearings
 - Harmonic Drive Reducer
 - Spare Parts
- Employee : Office:8 , Factory:30

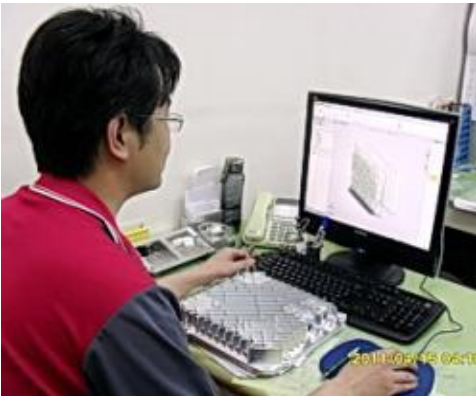

About the process

專業 品質 服務 創新，為子申應用材料的核心理念，也是我們與其他廠商的優勢差異。

1. 客戶溝通研討之後我們會在三天內做出應對方案回復
2. 材料選擇
3. 進料檢驗
4. 生產排程
5. 粗胚加工
6. 熱處理
7. 精加工
8. 超精加工
9. 表面處理、清潔
10. 尺寸檢驗
11. 運轉測試
12. 清潔包裝出廠

OEM/ODM Fab and Factory

About the process

CHOSEN Applied Material Co., Ltd

Harmonic Drive Reducer

TOPdrive

Application in Semiconductor

Item	Module	Picture		
1	T/F, Diff			
2	CMP			
3	Etching			
4	Robot			
5	Bonding Stage			
6	Dry Etching			

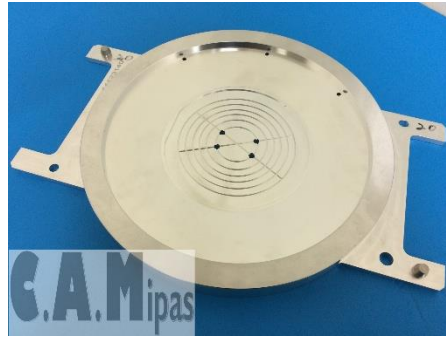

Application in LCD, T/P

Item	Module	Picture			
1	PVD				
2	Etching				
3	Robot				
4	Oven				
5	Bonding Stage				

Application in LED

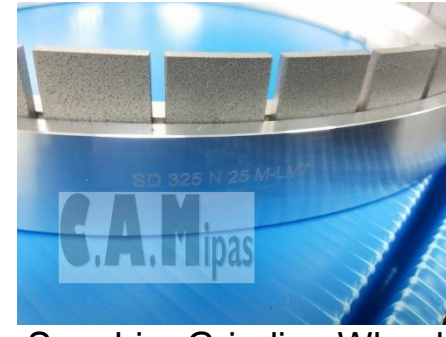

Pin Ring

Wafer Stage

Robot Blade

Sapphire Grinding Wheel

ALN Substrate

PVD Parts(Al₂O₃)

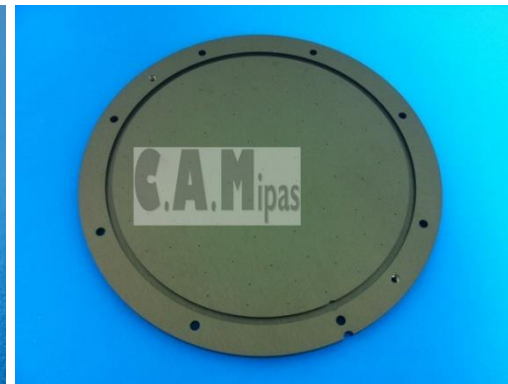

SUS Housing

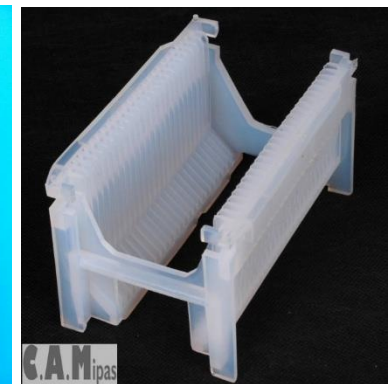

Wafer Clamp

Heat Insulating Brick

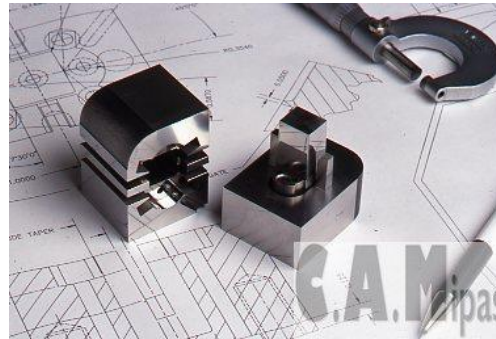

Shower Head

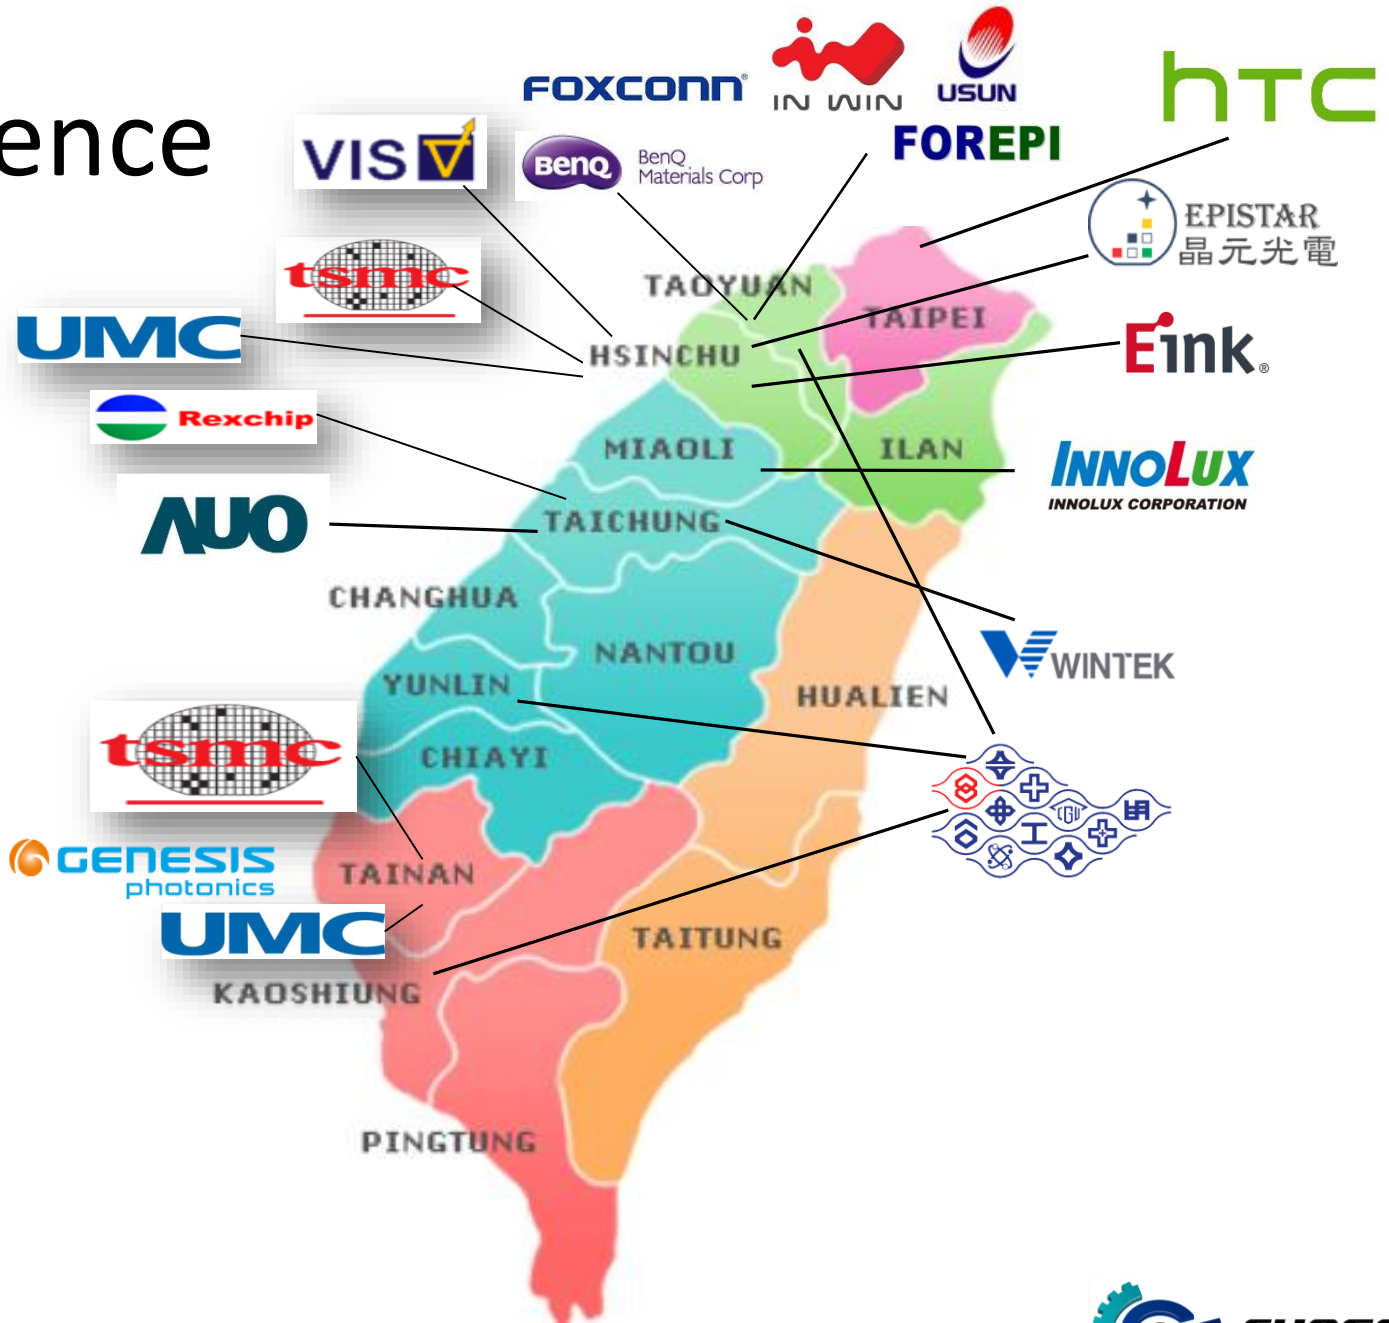

Wafer Cassette

Component For Mold & Die

Reference

Vision

- Chosen Applied Material is focusing on **spare parts , mold, jig and components** which applied in Semiconductor , LED , LCD , T/P and Solar with high quality controlled machining process.
- Willing to provide **reverse engineering service, OEM & ODM** products.
- Through Continue Improvement Progress (CIP) with customer together to deliver on our commitments.
- Efficiency and Innovative.
- Win-Win solution with customer.

Q&A

Thank you for your time.

Product Line:

Bearings: High Precision Bearings , Anti-Corrosion Anti-Chemical Bearings , High Temperature Bearings , Custom Bearings

TOPdrive: TSG , THG , TSD , THD series

Spare Parts: Device Components , Reverse Engineering , Automated Machining , Custom Machine , Tool & Die Building , Repair & Design
